We are Greater Wenatchee Mended Hearts, a local chapter of Mended Hearts, Inc., a national, volunteer peer-to-peer support organization dedicated to inspiring hope to people of all ages with heart disease, their families and caregivers.

"We understand your needs and concerns because we've experienced them ourselves - we are heart patients and families, sharing our experiences as we offer hope to others."

Heart patients, their families and caregivers are always welcome at our Chapter Meetings held via Zoom the first Monday of each month, January - June, August, October - December from 11:45 am - 1:00 pm. To attend a Chapter Zoom Meeting, contact our Zoom Host by email: atthehelmsters@hotmail.com.

To find out more about our organization and how we help you and your family, contact **Chuck Phelps, Chapter President**, (509) 264-7159, email: 91president2022@nwi.net, **Dominick Ferraro, Visiting Program Chairman**, (509) 421-364, email: dfmb1517@aol.com or visit the Mended Hearts website: www.mendedhearts.org.
