

Confluence Health Hospital Central Campus 1201 S. Miller St. Wenatchee, WA 98801 509 662 1511

Welcome to the Neurology Department at Confluence Health. You have been referred to us by a member of your healthcare team to investigate your neurologic concerns.

Appointment Date: Nerve Conduction Study:

Doctor: EMG Location: 1201 S Miller St, Wenatchee WA 98801

Come in through the main entrance, turn left, continue past the gift store.

To help our physicians to provide the most comprehensive care, please take note of these helpful tips:

- Arrive to your appointment 15 minutes early. Please allow yourself time to find parking.
- If your insurance requires a co-pay, we will be collecting the co-pay at the time of your visit.
- To avoid interruptions during your appointment, please be sure to turn off your cell phones prior to your appointment.
- No jewelry or lotion on your hands and feet. Wear loose clothing, preferably short sleeve, and shorts.
- Please do not bring small children to the appointment. We will not be able to bring them back with you during your appointment.
- Please note that the exam rooms are limited to just the patient for these studies.

Your appointment has been reserved especially for you. It is important that you arrive on time. If you are late, we may have to reschedule your appointment. Our physicians make every effort in allowing enough time for each patient for a comprehensive visit and to have every patient seen at their appointed time.

Due to the specialized nature of our practice, we have many patients being referred on an urgent basis and on our wait list. Your cooperation in notifying us if you are not able to keep your appointment at least 24 hours prior to your scheduled appointment time will allow us to offer that time to another patient.

We look forward to participating in your care. If you have any questions, call our office at (509)433-3290.
