POLICY:

It is the policy of Confluence Health to establish admission criteria for inpatient services, acute rehabilitation and skilled nursing facility (Transitional Care Unit). Each service area will have a scope of service document that outlines their admission criteria.

A. Admissions shall be appropriate for the level of care that can be provided at Confluence Health.
B. Admissions, transfers and referrals will be carried out in a consistent and efficient manner.
C. No admission will be denied based on race, creed, age, sex, sexual preference, religious status, color, national origin, disability or financial status.
